Watercress 100g Sleeve - HER23R

This versatile fresh herb is a great addition to any meal. With light peppery characteristics, Watercress delivers a nutritious garden-fresh taste, enhancing the flavour of its accompaniments.

Flavour: A unique peppery flavour with a delicate crunch.

Uses: The great all-rounder. Use in salads, soups and sandwiches, toss through to add flavour to dips, pasta, and rice, as well as vegetable and meat dishes.

Appearance: Vivid green in colour, Watercress has small, round, shiny, green leaves with pale flowing stems.

Storage: Extend the life of your herbs by removing the plant from its sleeve, keeping it moist and storing it away from extreme temperatures. To maintain freshness, store Flowerdale Farm herb sleeves between 1-7 degrees C. Rinse lightly under cold clean water before use.

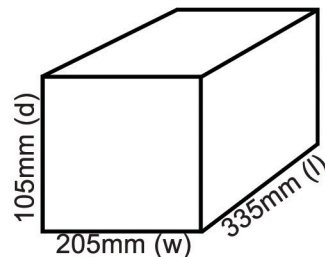

Health Benefits: Watercress contains Vitamins A, C and K, calcium, potassium and manganese.

Product Sizes: 100g Sleeves

Availability: Flowerdale Farm's Sleeved Watercress is cultivated in hydroponic conditions and is available year round.
