Summer Shoots 100g - SHO07R

Sweet and crisp with a subtle mushroom quality, these shoots are earthy but delightfully mild. They have a gentle lead up to a fuller flavour that develops on the tongue. Flavour intensity is enhanced by the cooking process but snaps with freshness when served raw.

Flavour: Sweet and crisp with a subtle earthy mushroom flavour

Uses: Summer Shoots are Asian style sprouts that are perfect in salads and stir-fries. Use in a variety of cold dishes as garnish and as a flavour base for soups, sauces and ragout.

Appearance: Pale stems with yellow leafy sprout

Storage: To maintain freshness, store Flowerdale Farm shoots between 1-4 degrees C. Summer Shoots should be consumed within 14 days of packing. Rinse lightly under cold clean water before use.

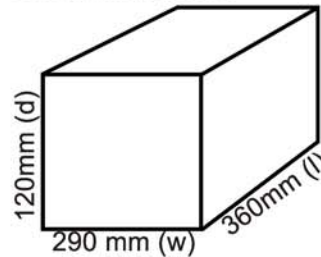

Health Benefits: Summer Shoots are high in protein and provide a good source of calcium vitamin B1, C, and niacin.

Product Sizes: 100g (Box of 12 x 100g available wholesale).

Availability: Flowerdale Farm's Summer Shoots are cultivated in hydroponic conditions and are available year round

Box Dimensions:
