## Chard Microgreen Pot - MIC15R

Also known as Bull's Blood, Microgreen Chard is one of the most exciting microgreen varieties. Bringing life to dishes with its attractive two-tone appearance, chard also adds a distinctive beet flavour.

**Flavour:** A strong beety, earthy flavour.

**Uses:** Use Microgreen Chard to liven up salads, add to sautéed vegetables, include as an addition to lasagne, pasta, quiche, soups or sandwiches.

**Appearance:** Tender, narrow, red stems with vivid green, slender leaves.

**Storage:** To maintain freshness, store between 1-7 degrees C. Microgreen Chard should be consumed within 10 days of packing. Rinse lightly under cold clean water before use.

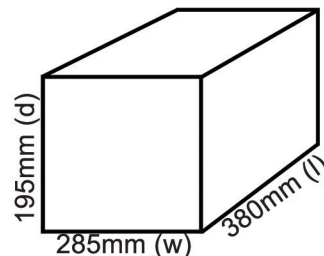

**Health Benefits:** Microgreen Chard contains vitamins A, K and C and is also rich in iron, fibre and protein.

**Product Sizes:** Open Pots (12x pots available wholesale)

**Availability:** Flowerdale Farm's Microgreen Chard is cultivated in hydroponic conditions and is available year round.
